

Wouldn't it be nice if you didn't have to worry about paying every time you had your bike serviced?

Available for ALL Makes and Models, the Honda Happiness tailored service plan is an affordable annual servicing package for bikes two years and older, conveniently available from each of our three branches. (Cupar, Kirkcaldy and Perth)

You choose which levels of service suit you and your bike best (from 1 to 4) and over how many years (2 to 4) see examples below.

Why

- Regular; at least annual servicing of your motorcycle makes more sense, is cheaper in the long run and will leave your bike more reliable and safe to use.
- Allows you to spread payments rather than find a lump sum every year.
- Proper regular dealer servicing is not only sensible for safety but is also an investment in its eventual re-sale value. New owners will always ask for a service history.
- Have your bike ready to use when you want it, not when you can afford it.
